Faculty

The faculty of Findlay Senior High School is noted for its teaching force which is made up of modest, conscientious workers. The quality of work in each department has been most heartily acclaimed by both students and parents.

Our instructors are people whose wide learning, universal sympathies and sublime aspiration are a challenge to all, a group whose experienced counsel furnishes hope and courage to many a student in need of help. They are a group whose culture awakens the deepest respect and admiration of their students.

The present faculty is composed of teachers who combine a thorough knowledge of their work with an abundance of skilled methods for accomplishing the great task of educating the youth of Findlay.

Under the guidance of the teachers, we, the students of Findlay Senior High and the members of the Class of Nineteen Hundred Forty-seven, have prepared to take our places as citizens of the world. We believe that the instruction of these mentors has prepared us to give more to our country and to the world than we could have given without their help. Members of the Class of 1947 wish to thank the faculty for helping them to leave high school fully prepared for what lies ahead.

Superintendent F. L. Kinley accepted his first position in Findlay Senior High School in 1922 in the capacity of chemistry and physics teacher. In 1923 he became assistant principal and a year later was elected principal. He continued in this office until 1936, when he became Superintendent of the Findlay Schools.

Mr. Kinley received his Bachelor of Science degree from Heidelberg College and his Master of Arts degree from Ohio State University.

Miss Mildred Farner, Secretary

G. R. Constien came to Findlay Senior High School in 1930 as teacher of chemistry and physics. He was appointed assistant principal in 1935 and the following year was elected principal. Mr. Constien received his Bachelor of Arts degree from Ohio Wesleyan University and his Master of Science degree from Ohio State University. He has also taken courses at Purdue and Notre Dame Universities.

His conscientious administration has made Findlay Senior High one of the most outstanding schools in Northwestern Ohio.

Mrs. Edna Wilson, Secretary

Miss Helen Johnston, dean of girls and sponsor of the Senior Advisers, has taken special courses in guidance at the University of Wisconsin. Miss Johnston is also joint sponsor of the Student Council. She received her B. S. degree in Education from Ohio State University and her Master of Arts degree from the University of Wisconsin. Miss Johnston has also studied at the University of Puerto Rico and the University of Colorado. She is instructor in Spanish language and literature.

A. L. Mattoon, dean of boys in Findlay High School, is joint sponsor of the Student Council and the Concession Helpers' organization. He was this year elected president of the Educational Council of the Ohio Education Association. Mr. Mattoon received his Bachelor of Arts degree from Otterbein College and his Ph. B. and M. A. degrees from Ohio State University. His teaching subject is American history.

Custodians

Harry Baughman

George Gearing

Charles E. Hayes

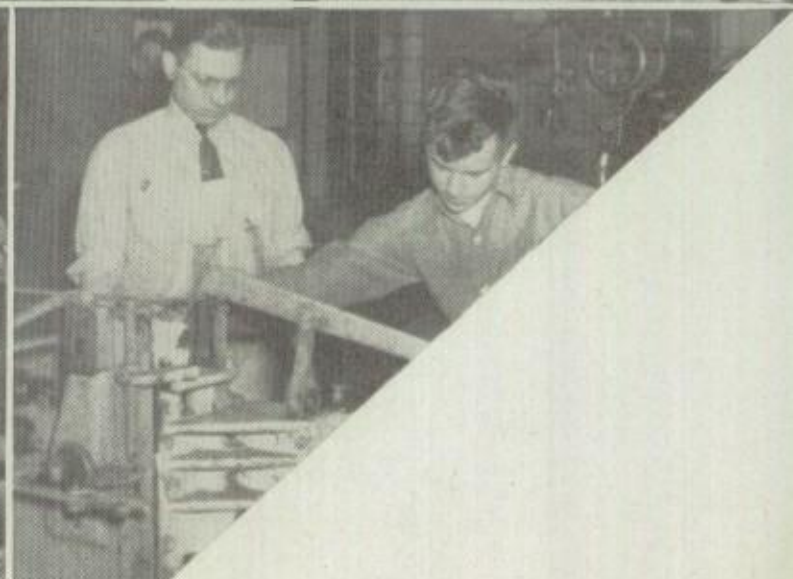

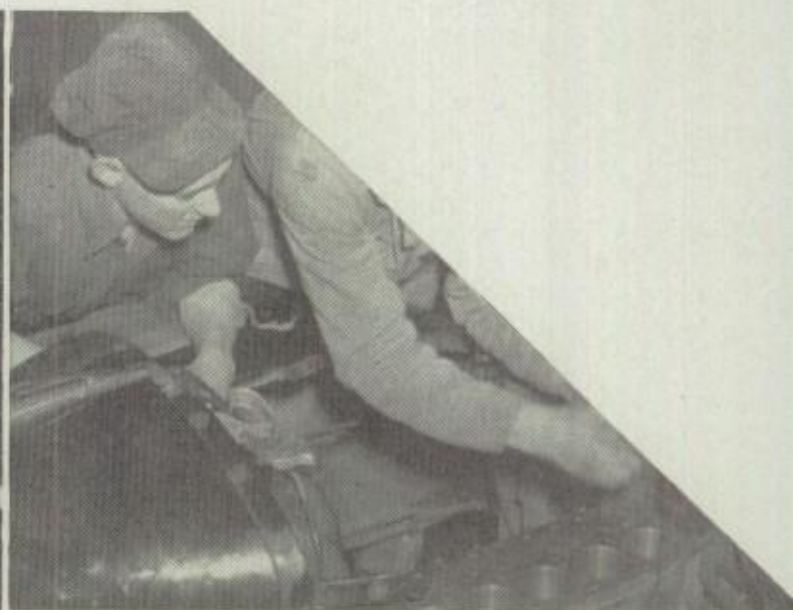

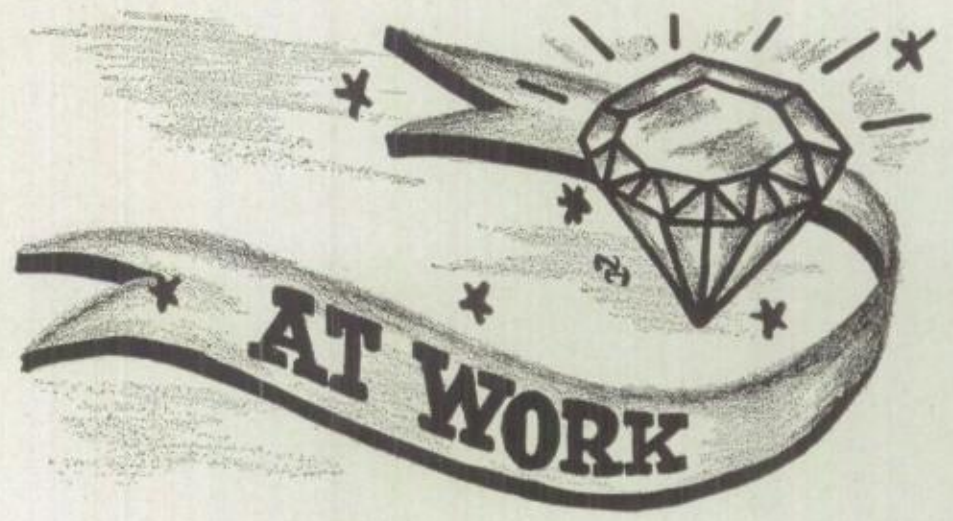

William Gary

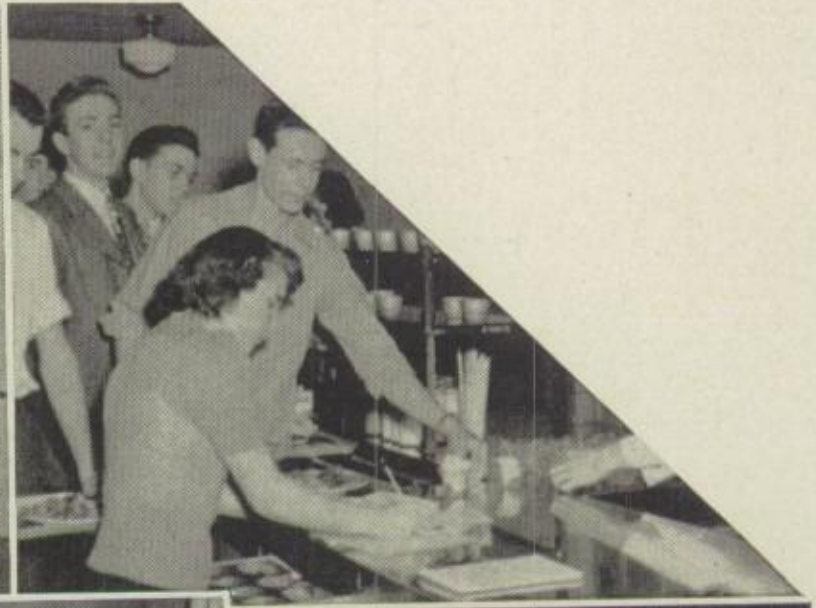

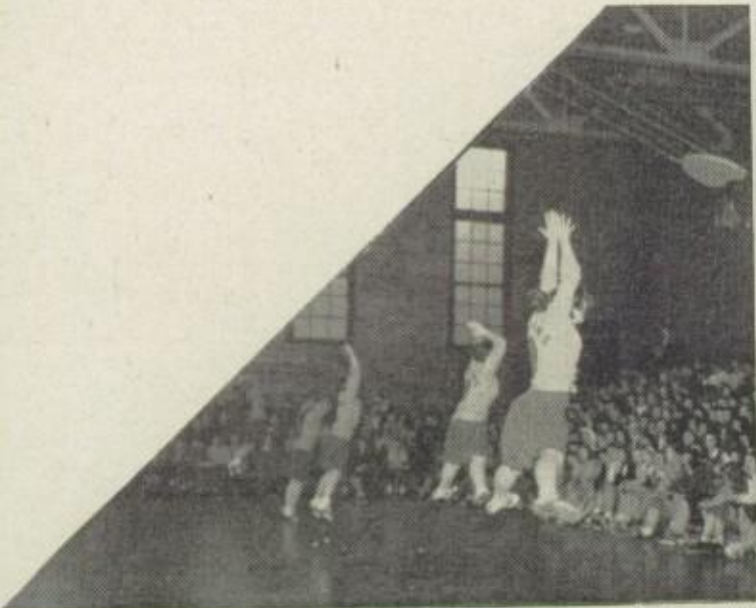

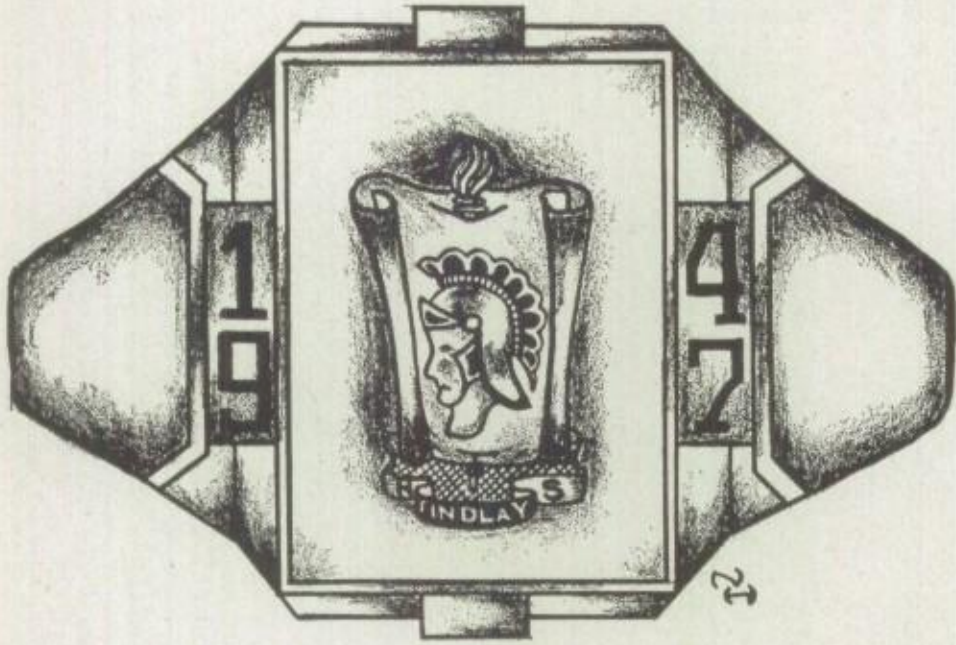

Mrs. Elizabeth Greer

That small crew of faithful workers who are always around when something is to be fixed are the steadfast custodians of Findlay High. They receive little public recognition for their

important tasks, but their necessity is recognized by the appreciation we have for the innumerable things they do for us.

Seniors

We, the seniors, have reached the threshold of a new era in life. We must now say good-bye to F. H. S. and put it with other memories of the past. Years from now, perhaps, we will look at this book and say to ourselves, "Why, it seems like only yesterday. Remember the time . . .

"We gave that sophomore 'Y' dance on prom night and later stood at the gym door envying the upperclassmen in their swishy skirts and stiff shirts? . . . And how scared we were that first wonder-filled day at F. H. S.? . . . And when Eldon and Jo were the stars of 'The Fool' in our junior year? . . ."

Finally we were old enough to go to the prom ourselves. Remember what an awful time we had getting those luminous stars to stick? And Harry Kent's version of "Hey Ba-Ba-Re-Bop"? . . .

Then, at last we were seniors! Remember how we laughed sympathetically at lost sophomores? . . . And the thrill of getting our senior rings and the lump in our throats at our senior chapel? . . . Finally came one of the most important events in our lives—Commencement! Remember how all of us nearly suffocated in those enveloping robes? Then it was all over, and we were just alumni.

And so it is with many pleasant memories, and a few last regrets, that we bid farewell to our Alma Mater, Findlay Senior High School.

Undergrads

The undergraduates of Findlay High are steadily and earnestly following the precedents instituted by former students. By cheerful and vigorous achievement these underclassmen have shouldered the increased activities which were passed to them this year. With their entrance into our building they have carried with them their energy and interest in student affairs.

In addition to active interest in musical organizations and club events of the school, these undergraduates have been particularly occupied with literary, oratorical and business affairs. Certainly few preceding classes have accomplished more in sports than this group with its talented athletic powers, and we foretell a profitable future for them.

In the compulsory functions of the school as well as those works voluntarily contributed by the students, the undergraduates have shown themselves equally interested and helpful.

In unity with their class officers, President Richard Kelly, Vice-President Raymond Kimmel and Secretary-Treasurer Janice Nichols, the juniors have reliably and conscientiously performed each piece of work given them. Following them equally well are the sophomores, with Bob File serving as President, Tom Wittenmyer as Vice-President and Joan Yawberg as Secretary-Treasurer. We, the Class of 1947, wish the Classes of 1948 and 1949 good fortune in the years to come.

Activities

We of Findlay Senior High School consider ourselves very fortunate to have so many extra-curricular activities in which to participate during school time. The program is designed to give every student a chance to belong to at least one organization.

There are two service clubs. The Y-Teen organization is open to all girls and the Hi-Y presents a similar opportunity to boys.

The Science and Math organizations represent the academic clubs.

Assemblies sponsored by the Student Council bring many interesting personalities to F. H. S. Chapel programs combine student speakers and the choir. The Easter and Christmas chapels are always outstanding.

Each year the Music Department presents the choir and orchestra in an operetta. This year "My Maryland" was beautifully staged and excellently performed. The band and orchestra concerts are important extra-curricular activities.

Junior and Senior plays are given annually.

Through experiences in living and working together we learn to recognize the worth of each individual in this cooperative planning and administration of assemblies, clubs and social activities.

National Honor Society

Membership in the National Honor Society is based upon scholarship, leadership, service and character. Scholarship requirements state that prospective members must have compiled a "B" average from the beginning of the ninth grade, and must show evidence of having been of service to the school. Candidates are rated by N. H. S. members, fellow candidates and the faculty on character and leadership.

Five per cent of the junior class and ten per cent of the senior class may be elected in the second semester of each year.

The goal of the organization is the sponsorship of all humanitarian drives in Findlay Senior High School and the promotion of greater scholastic effort and participation in school activities in both the senior and junior high schools.

The National Honor Society emblem is the keystone and flaming torch. At the emblem's four corners are the letters C. S. L. S., signifying the four principles of the organization. The Society is under the sponsorship of Principal G. R. Constien.

Student Council

The Student Council meets once each fortnight to discuss the problems of the school and to propose methods of solving them. The Council is composed of one representative from each home room.

The Student Council brings speakers to the student body and sponsors various other projects, some of these being the choosing of the Football Queen and the sponsoring of special days such as Overall Day. This year the Coun-

cil is writing to a German Student Council in a school located in the American occupied zone in Europe. For the past two years the concession helpers have been under the sponsorship of this organization.

The officers for 1946 and 1947 were Barbara Wortman, president; Robert Chesebro, vice-president; and David West, secretary.

The Council is sponsored by Miss Helen Johnston and A. L. Mattoon.

To join a Y-Teen club means to have fun. It is making friends and meeting other people. To join the Y-Teens is to have fun by going to conferences in other cities; it is having the enjoyment of planning your future under the advice of older people. Wise leaders teach Y-Teen girls to understand their parents and see things from their point of view. This helps make a happier home life for many to whom parents are a complex problem. To become a member means learning to use the hands as well as the head—to make things and figure out problems. And one of the biggest jobs of the Y-Teens is to serve the community. This organization is truly worthy of the credit it receives.

The Hi-Y organization played an ever-increasing role in the high school activities during the past school year. The senior group led the way this season, offering many services to the school. A checkroom was operated during most of the basketball season and for the auditorium programs. With money raised by this activity along with that made from dances and the sale of concessions, the senior organization was able to give \$100 to World Service and another \$25 to Hi-Y Camp Nelson Dodd. The senior club also presented an impressive Easter chapel program.

The sophomore and junior organizations met bi-weekly at the high school and the senior group every week at the local Y.M.C.A.

The Hi-Y is jointly sponsored by the Y and the high school with the aim "to create, maintain and extend throughout the school and community the highest standards of Christian living."

Senior Advisers

It is an honor to be elected to this organization, the Senior Advisers. Each spring, under the leadership of Miss Helen Johnston, the fifty junior girls with the highest scholastic records are nominated for election to this group. Thirty-five are chosen by vote of the total number of girls in the class.

The most important duty of each Senior Adviser is to act as a "big sister" to four sophomore girls in order to help them get acquainted during the period when the school

is still new to them and to assist them over any rough spots in their first days at F. H. S.

The Senior Advisers sponsor the annual Girls' Mixer, an informal party for the purpose of enabling each girl to make new acquaintances.

The chief purpose of the organization is to unite all the girls of the school and give each one an opportunity to cultivate lasting friendships.

Debate

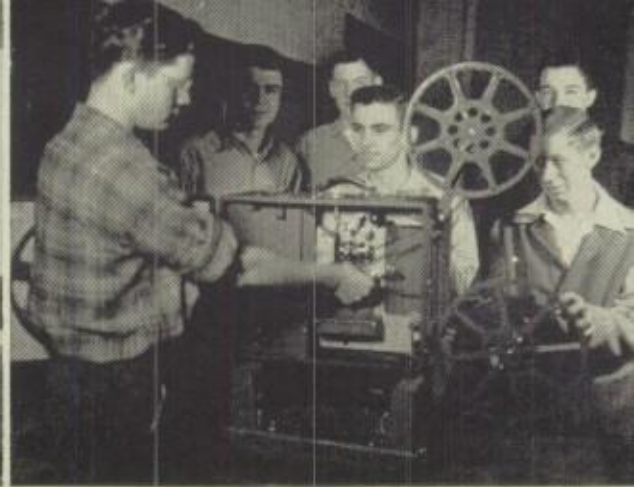

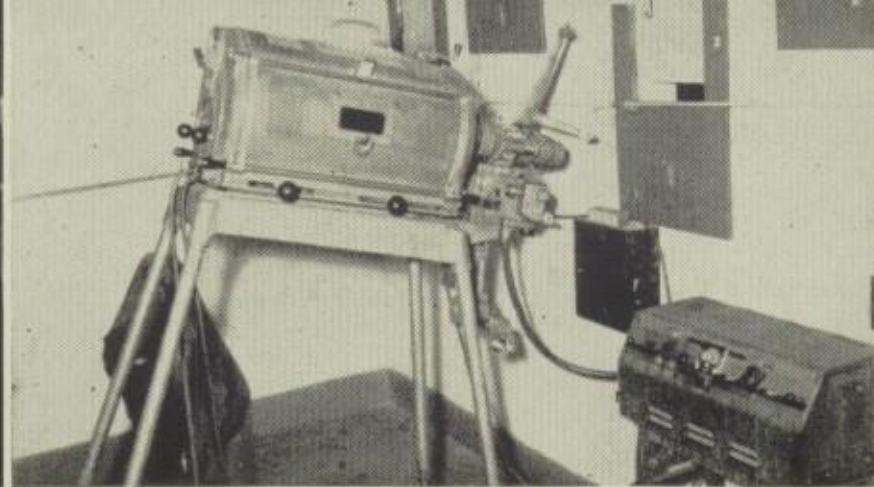

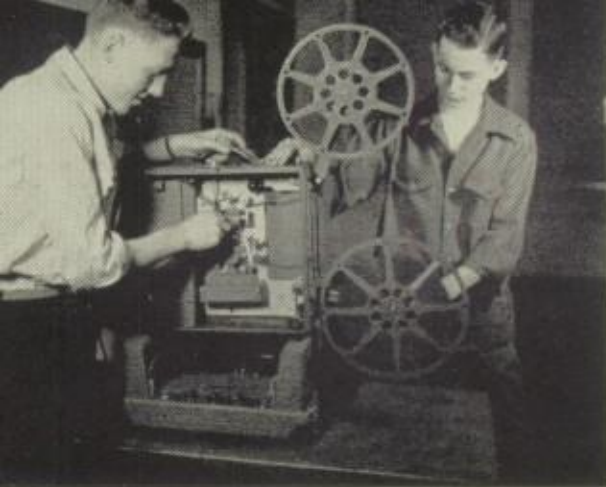

After a lapse of several seasons debating activities were resumed last year in Findlay Senior High School. Debate research is done on school time, one period a day being devoted to it. Our debate teams conduct their activities purely for practice and experience.

• Students who have taken debate have found it valuable in developing the individual and training him to meet the problems of life. He learns to use a library, to practice thoroughness and accuracy, to analyze and

distinguish between the vital and the unimportant. He learns to present ideas in a clear and effective manner. Debating gives training in every major requirement of leadership. It is intensely interesting and the game is enjoyed for its own sake.

At least one debate a year is given before the student body. Teams are trained and coached by W. E. Hall of the high school English Department.

Projection Club

The Projection Club of Findlay Senior High School had its origin ten years ago. It is through the efforts of this club that the students receive much of their visual education. The members operate and care for all of the projection equipment as well as the films shown to the students. Student projectionists often show a spirit of service to the school by giving up study halls to run movies for classes.

The officers of the club in 1946-47 included Harold Quail, president; John Young, vice president; Lyle Niswander, secretary. P. S. Hochstettler is sponsor of the group.

The club aims to show at least two full-length movies to the student body free of charge each year. This year a new projector was purchased from the collection of sales tax stamps.

FIRST ROW: Kennedy, Hover, Hauman, Dunn, Hinderer, Grothaus
SECOND ROW: Pampel, Fellabaum, Bradley, Albright, Simmons, Niswander
THIRD ROW: Quail, Fellers, Dukes, Mr. Hochstettler, Wanamaker, Williams, Young

Thespians

To become eligible for membership in the National Thespian Society evidence must be shown that the student participated in a play and that he gave a sufficient number of public speeches to make himself eligible for membership. Helping with the painting of scenery, writing a play for actual production or assisting with the production of the play are also considered in determining eligibility.

The purpose of the organization is to create a more active and intelligent interest in high

school dramatics. The aims of the society are serious and worthy, encouraging students to attain a better mastery of language, to develop poise and self-control, and to appreciate dramatic literature and its techniques.

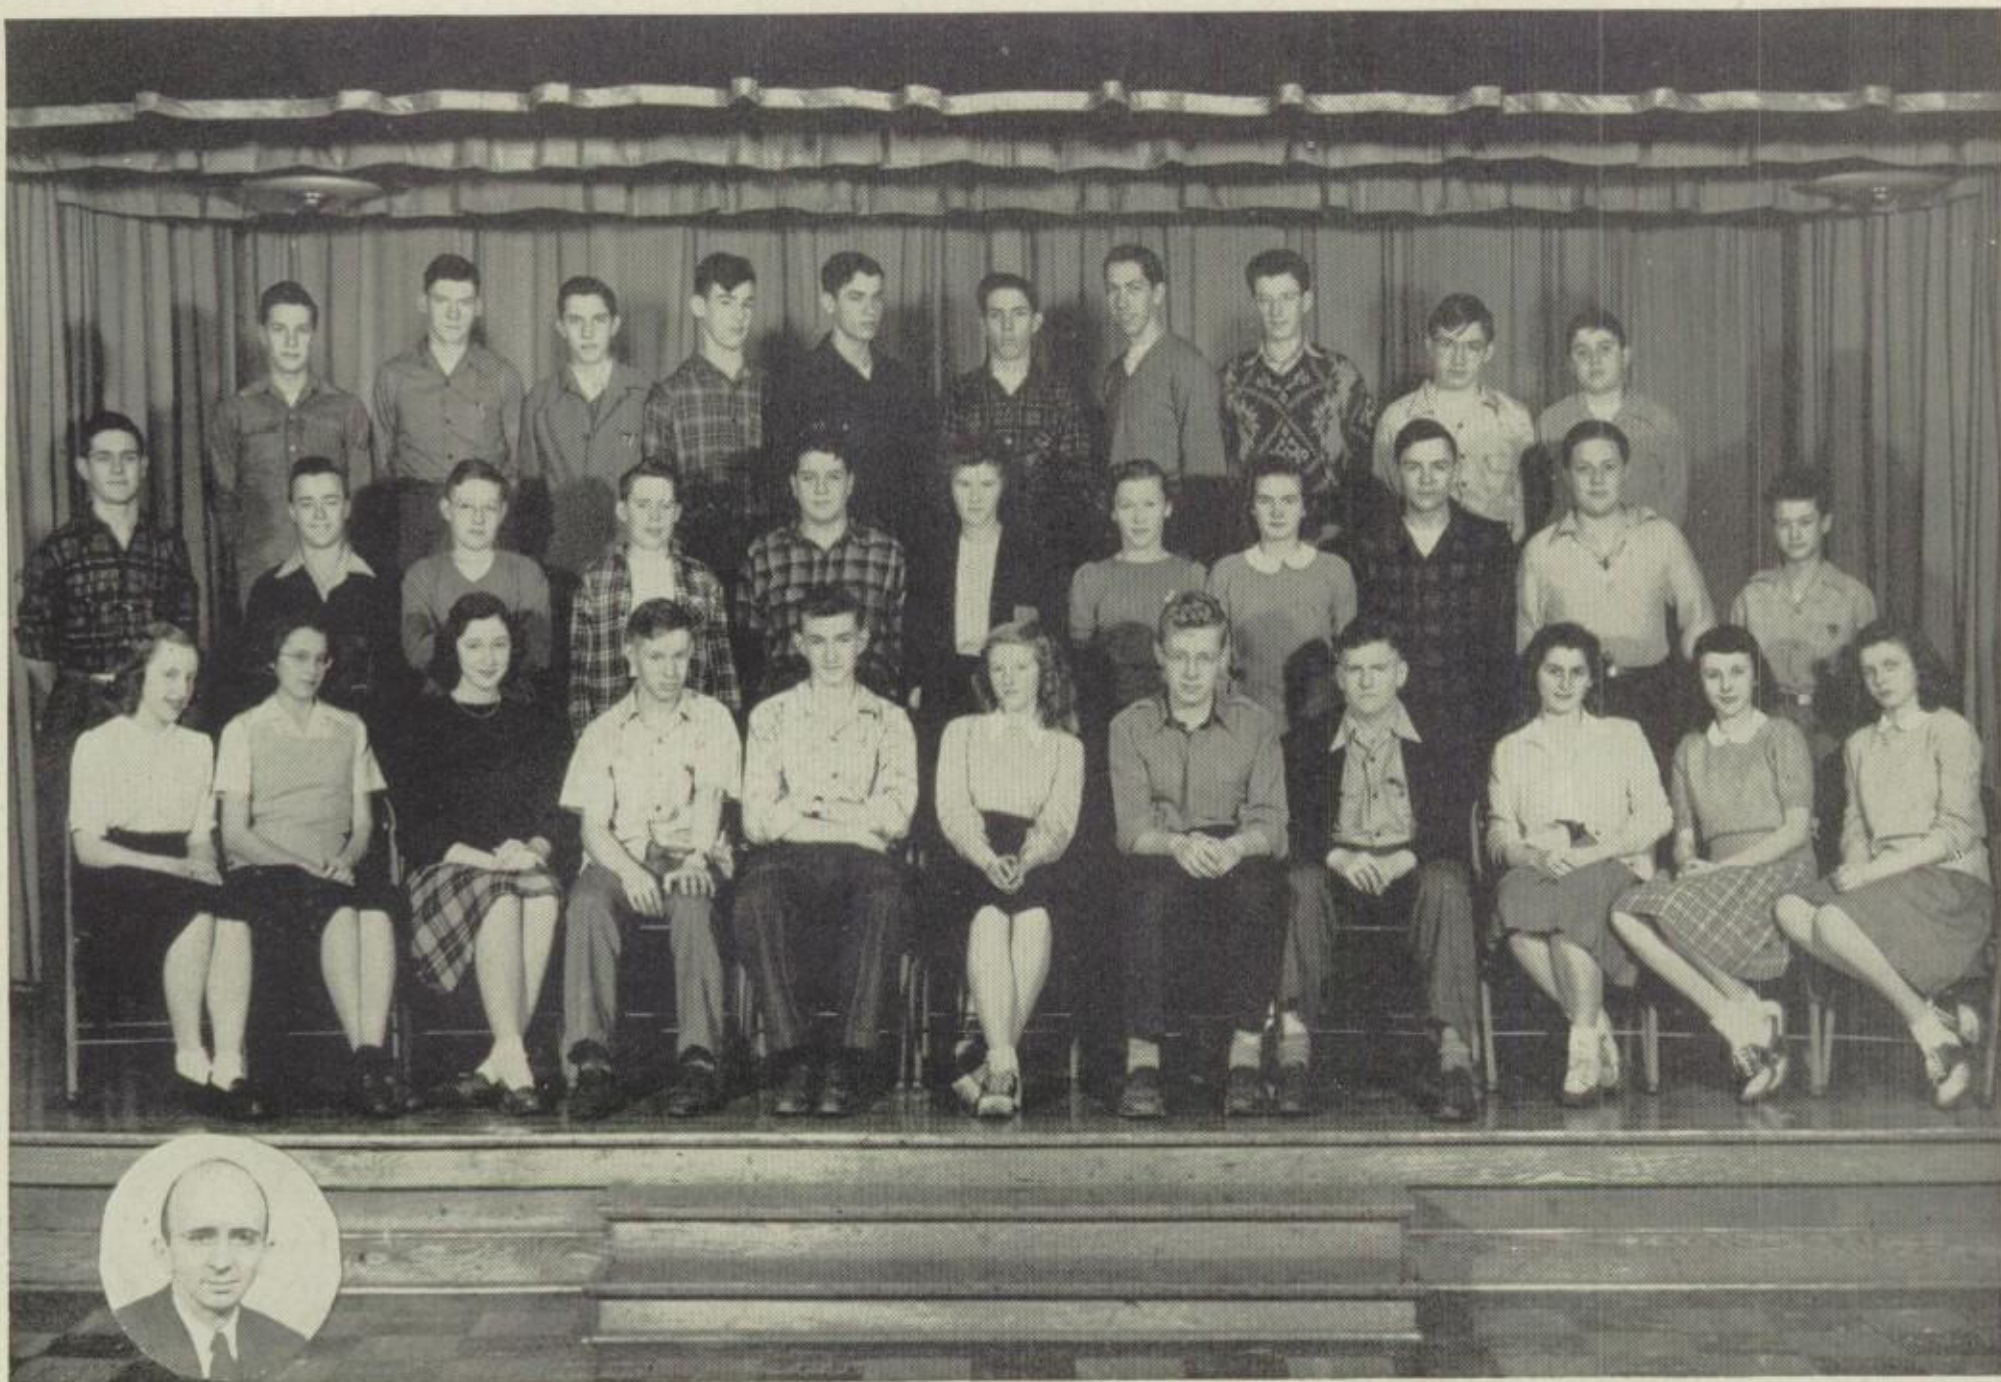

Members of the Thespian Society of Findlay High School present two or more one-act plays each year. This year they produced "Why I Am a Bachelor" and "His First Date." The troupe is sponsored by W. E. Hall.

Naturalists' Association

The Naturalists' Association, formerly known as the Bird Club, was organized for a purpose which should be important to all of us—the protection of birds. Under the leadership of R. S. Phillips this club has worked diligently on the problem of conservation for the past five years. So influential has the club become that it has acquired two game preserves through the generosity of certain

Findlay citizens. Each spring and fall the Naturalists' Association carefully observes the migration of birds and eagerly watches for birds uncommon to this region which pass this way. Recording these activities makes an interesting log. An exhaustive study of the habits and lives of birds, plus work contributed to their feeding and protection, comprise the program of this very active organization.

Science Club

One of the most worthy of our extra-curricular activities is the Science Club. Sponsored by C. F. Burkhart, this interesting organization is in its third year. The objective of membership in the Club is to study and gain experience in the particular branch of science which interests each person. The Club's activities in the school consist of participation in programs presenting scientific ideas, the construction of projects, and assembling and delivering talks

on scientific subjects worthy of the attention of the membership. Another feature of the club program is its presentation of guest speakers, who deliver lectures on everything from gas turbines and the weather bureau to Indian lore.

It can therefore be understood why all the Science Club members are proud of their organization and why they work hard to help it maintain the respect it has earned.

Math Club

In its second year of organization, the Math Club is unique at F. H. S. in at least one respect. The meetings are purely informal and the only officer of the club is the chairman, a position filled this year by Darl Ault. All meetings pertain to subjects concerning mathematics.

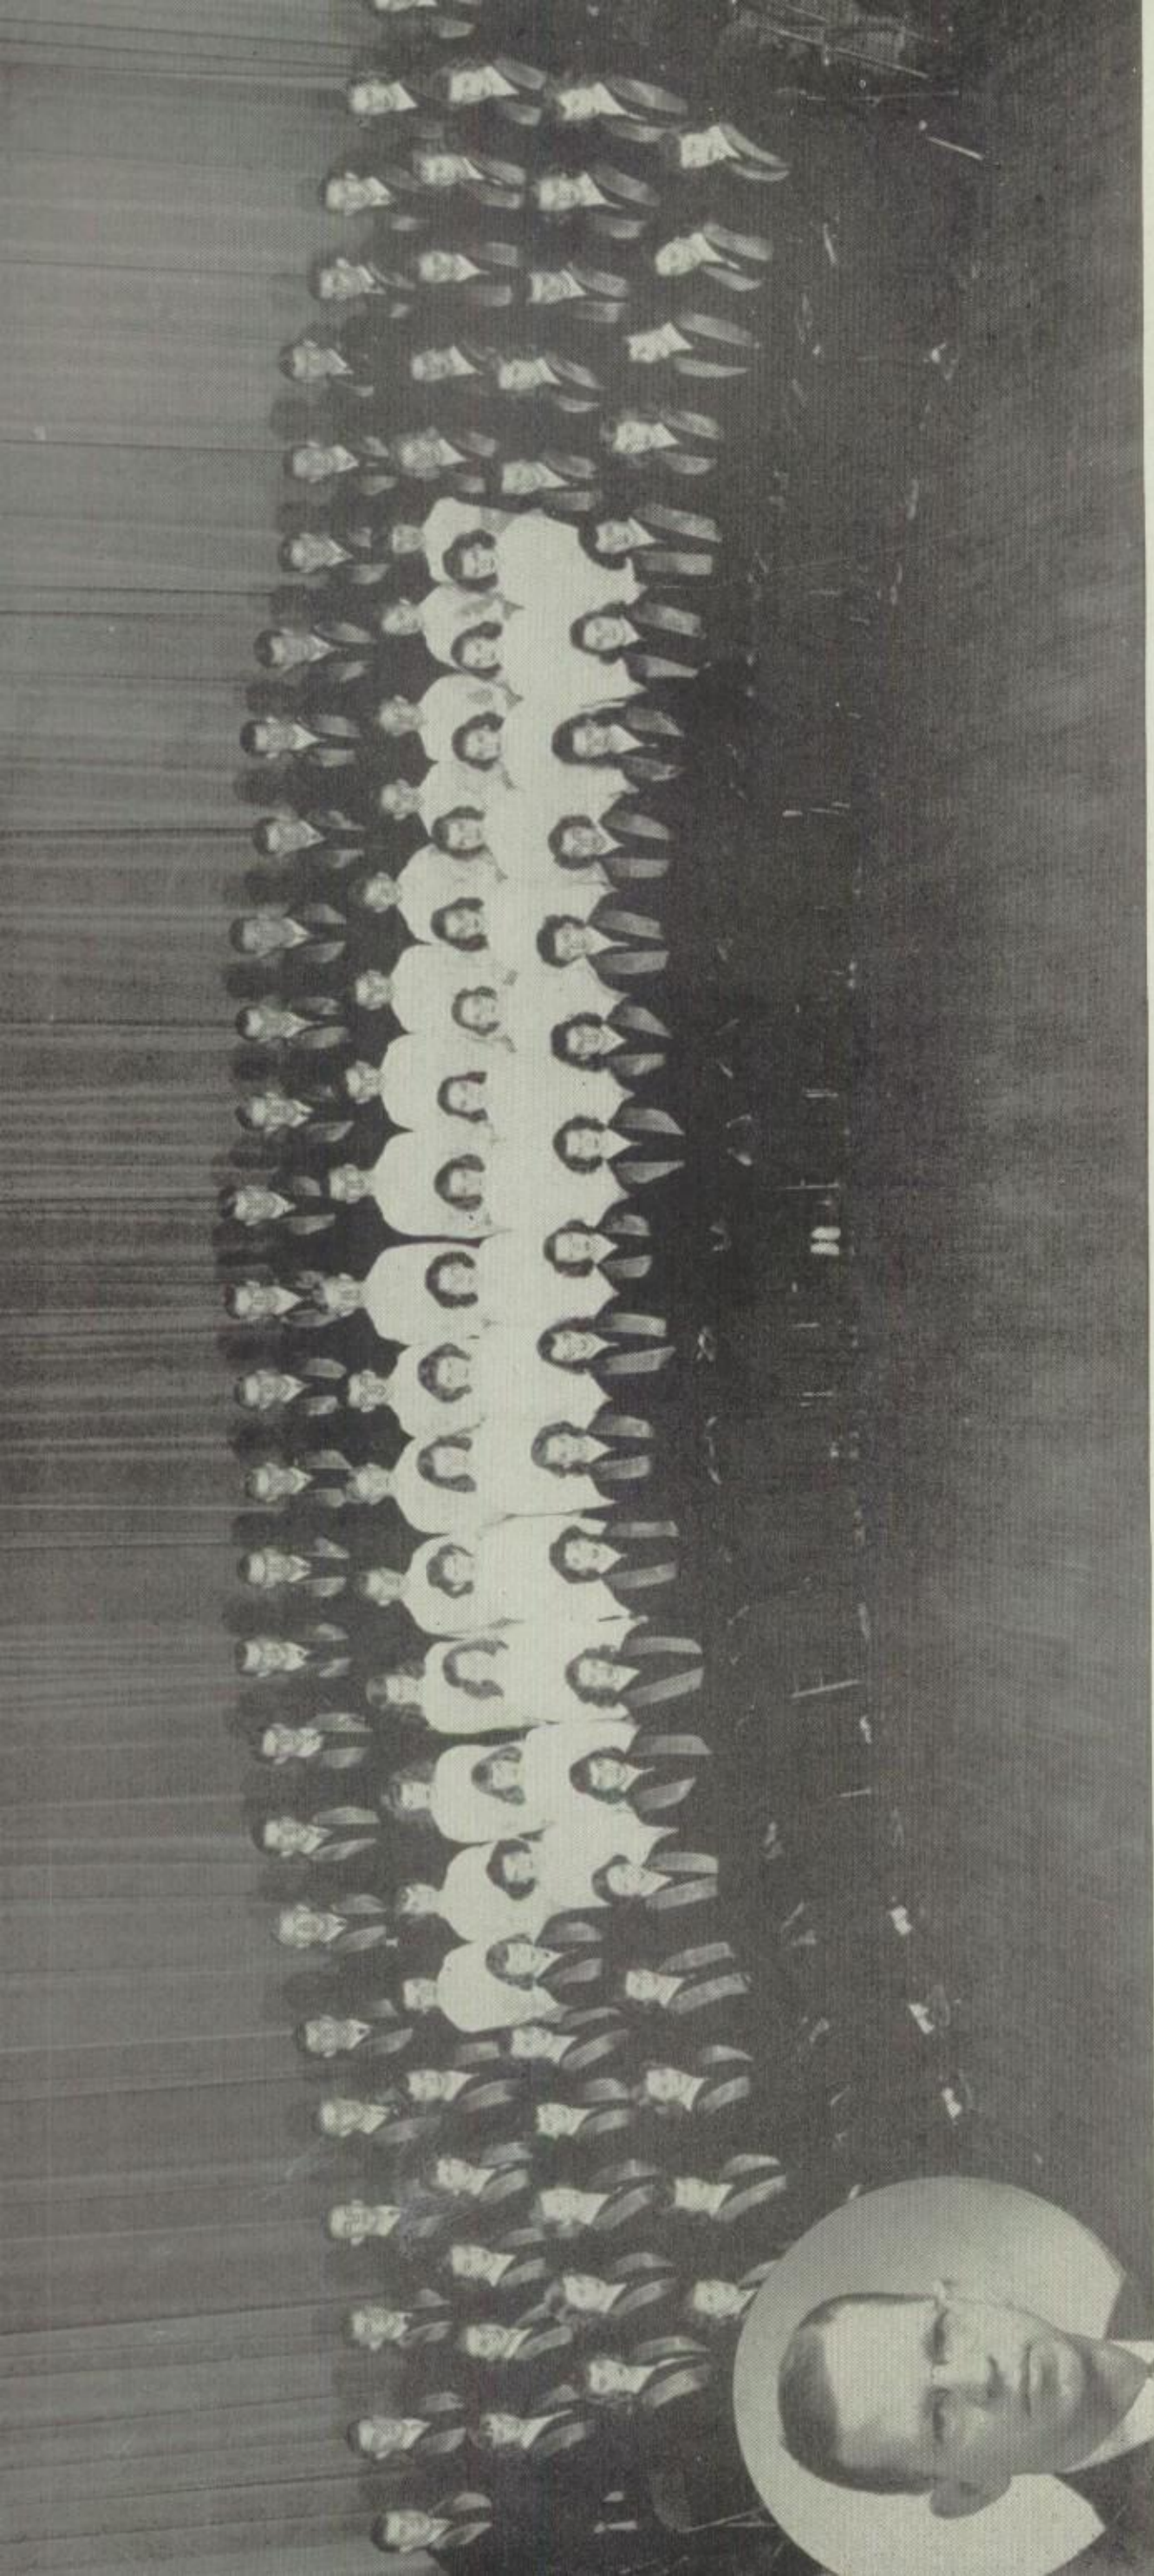

In its two years of existence the Club has visited the calculating and tabulating departments of the Ohio Oil Company and the Buck-

eye Traction Ditcher Company. It has had speakers who dealt with the subjects of the slide rule, the planimeter, adding machines and mental multiplications.

Meetings are held either during school or in the evening, depending upon the nature of the program. There are seventeen members of the Club which includes both boys and girls. H. H. Yawberg is the Club sponsor.

Corridor Hosts

The Corridor Host Association of Findlay Senior High School is ranked among the "young" service clubs of our school. Begun back in 1940, this association has gone through a steady growth of development and improvement and is enjoying a fine reputation among many of our Ohio schools.

Boys and girls fully registered in Findlay Senior High are eligible for membership in the Association. Candidates for the organization must have average grades in all subjects and at least one study period every day.

A reserve corps is maintained to take care of absentees and changes.

The purpose of the organization is to welcome visitors to the school, to keep students from loitering in corridors, to protect school and student property, to conserve the use of all hall lights and to protect school equipment.

The Association furnishes a valuable service to the school and to students by keeping the corridors in good order, by seeing that lockers are protected at all times and by assisting the faculty. The Corridor Hosts are under the direction of H. F. Brandenberger.

Concession Helpers

The Concession Helpers organization of Findlay Senior High School has a steadily increasing membership in the student body. The Concession Helpers are responsible for selling confectionery products at all the basketball and football games. This year the schedule has been larger than ever before with the Helpers selling refreshments during each basketball tournament game here.

This organization is sponsored by the Student Council. All members of the Student Council were faithful workers with the Concession Helpers. Under the guidance of Miss Helen Johnston and A. L. Mattoon, the Concession Helpers have risen to an almost independent organization.

The many programs which have been presented for the student body have been sponsored by this organization. The Charm Quartet, a group of very talented girls, presented an outstanding program of American music. Dr. Arnold Young, author and lecturer, gave an interesting presentation to the student assembly on "English as She Is Spoke." We all enjoyed Mrs. Grace Wolpert Keene, a dramatics star who reviewed the play, "I Remember Mama," and Findlay High students showed much interest in the address given by Dr. Tehyi Hsieh, a Chinese lecturer who spoke on the many problems that confront the Chinese today.

Sports

Athletics compose an important part of the school curriculum at Findlay High School. Through the program offered at our school every student is given a chance to participate in a varsity or intramural sport. Besides the great number who take part, the varsity sports events are of the greatest interest to all high school students.

Five varsity sports, basketball, football, track, swimming, and golf, are scheduled for the boys along with intramural programs for all high school students.

In these activities students acquire sportsmanlike attitudes and learn to work together as a team, benefiting both their school and themselves.

Over 150 boys have a chance to participate in the five varsity sports alone. Each team has a competent coach who can help the individual develop his skills and talents. Those who can not afford the time for a regular sport may engage in intramural sports as well as the regular scheduled gym classes.

Findlay High's sports curriculum is being expanded whenever possible to increase participation.

Football Squad

Unable to get into the winning groove, Findlay High's Trojans compiled a record of two wins and seven losses for the 1946 Football season. Offensively the B and G forces clicked, collecting an average of over 15 points a game, but the defense sometimes was unable to cope with the opposition's attack.

The first game was a heartbreaker with Findlay going down to defeat before the Toledo Scott Bulldogs, 19-14, after the Trojans were held just short of the winning touchdown. Losses followed to Lima South, 31-20; Bowling Green, 20-6; Fremont Ross, 21-13 and Lima Central, one of the state's top elevens, 31-13. The Findlay team, however, sprang to life against Marion Harding, coping their first win 31-6. A second victory was scored against a stubborn Tiffin team, 20-14, after stopping a Columbian drive just short of the winning marker in the last minute

of play. The B and G forces were halted in their winning ways the next game, bowing to Defiance 19-16.

The season's activities were culminated in the traditional Findlay-Fostoria tilt. The Findlay eleven was primed for this encounter but Fostoria, determined to avenge last year's set-back, smashed to a 26-7 victory after trailing 7-6 at the half. The coronation of the F. H. S. Football Queen, Joanne Kiehne, and her attendants was a highlight of the half-time program. The 96-piece high school marching band continued to overshadow all others with their precise maneuvers and lusty playing.

Coaching duties were handled by H. H. Yawberg with the assistance of Philip Bikle, E. C. Bartlett, J. R. Coffey and M. E. Swasick.

Austin Roberts was elected honorary captain for 1946.

MASCOT: Jimmy Koehler

OSCAR BRADFUTE
 Stellar senior lineman, Oscar showed the ability to "stay in there" against the toughest competition. A consistent and spirited player, he was a two-year letterman and a regular starter throughout the past gridiron season.

JOHN BRADLEY
 A two-year starter, John served as a member of Findlay's forward wall at tackle. John acted as captain on defense, calling signals.

FRANKLIN CUSTARD
 An aggressive senior lineman, Franklin Custard was able to stiffen the Trojan forward wall with his spirited play.

DICK KELLEY
 Tall angular junior end Dick Kelly showed defensive ability in breaking up plays through the '46 season.

RAY KIMMELL
 As a line-bucking fullback, Ray was able to make a hole in the opposition's line if one were not provided. He is a junior letterman.

DICK LAUWERS
 Findlay right end Dick Lauwers was a dependable defensive player as well as pass snatcher.

LARRY ROMER
 One of Findlay's plunging fullbacks, Larry also handled some of the team's passing. A junior, Larry will be a seasoned veteran for next year.

DANNY SMITH
 Small but speedy Danny Smith, Findlay's fleet wingback, was a continual thorn in the opposition's side. Danny, a junior, showed that weight, or lack of it, could be made up in driving force.

JACK SWISHER
 The center cog of Findlay's line, Jack was the B and G's pigskin snapper for the '46 season. The 206-pound center was a two-year starter and letterman.

JOE FASSETT

Left end for the past two years, Joe consistently broke up plays and was an able pass catcher. He also called signals part of the season.

ART GILTS

As a junior guard, Art was an aggressive line backer and lineman. His wide-awake play earned him a berth on the Buckeye League second team and Honorable Mention in statewide competition. Art will serve as captain for next year's eleven.

JACK HARRIS

F. H. S. backfield man Jack Harris was an able wingback during the 1946 season. Jack was a dangerous man on an end sweep and could be depended on to pick up yardage.

BILL MICHAELS

Junior lineman Bill Michaels, despite his size, showed that aggressive play could make up for lack of weight.

BILL PAMPEL

A senior end, Bill was a dependable "flanker," being able to "stay in there" on all plays.

AUSTIN ROBERTS

Fleet-footed "Austy" was a dangerous ball carrier for all opposition as well as a trusted defensive man. Because of this he was awarded a first-team position on the All-Buckeye eleven. Austy was elected honorary captain for the 1946 season.

BILL WEBB

Tackle Bill Webb was a stalwart of Findlay's forward wall until a knee injury late in the season forced him to the sidelines.

LAVERNE WITTEBORT

A senior wingback, Laverne proved to be an elusive backfield man against all opposition as well as a dependable blocking back.

HOWARD YAWBERG

"Howie" served in several capacities during the past season, handling the signal-calling duties, the punting, and the kicking for points after touchdowns. Howie was also the team's leading scorer.

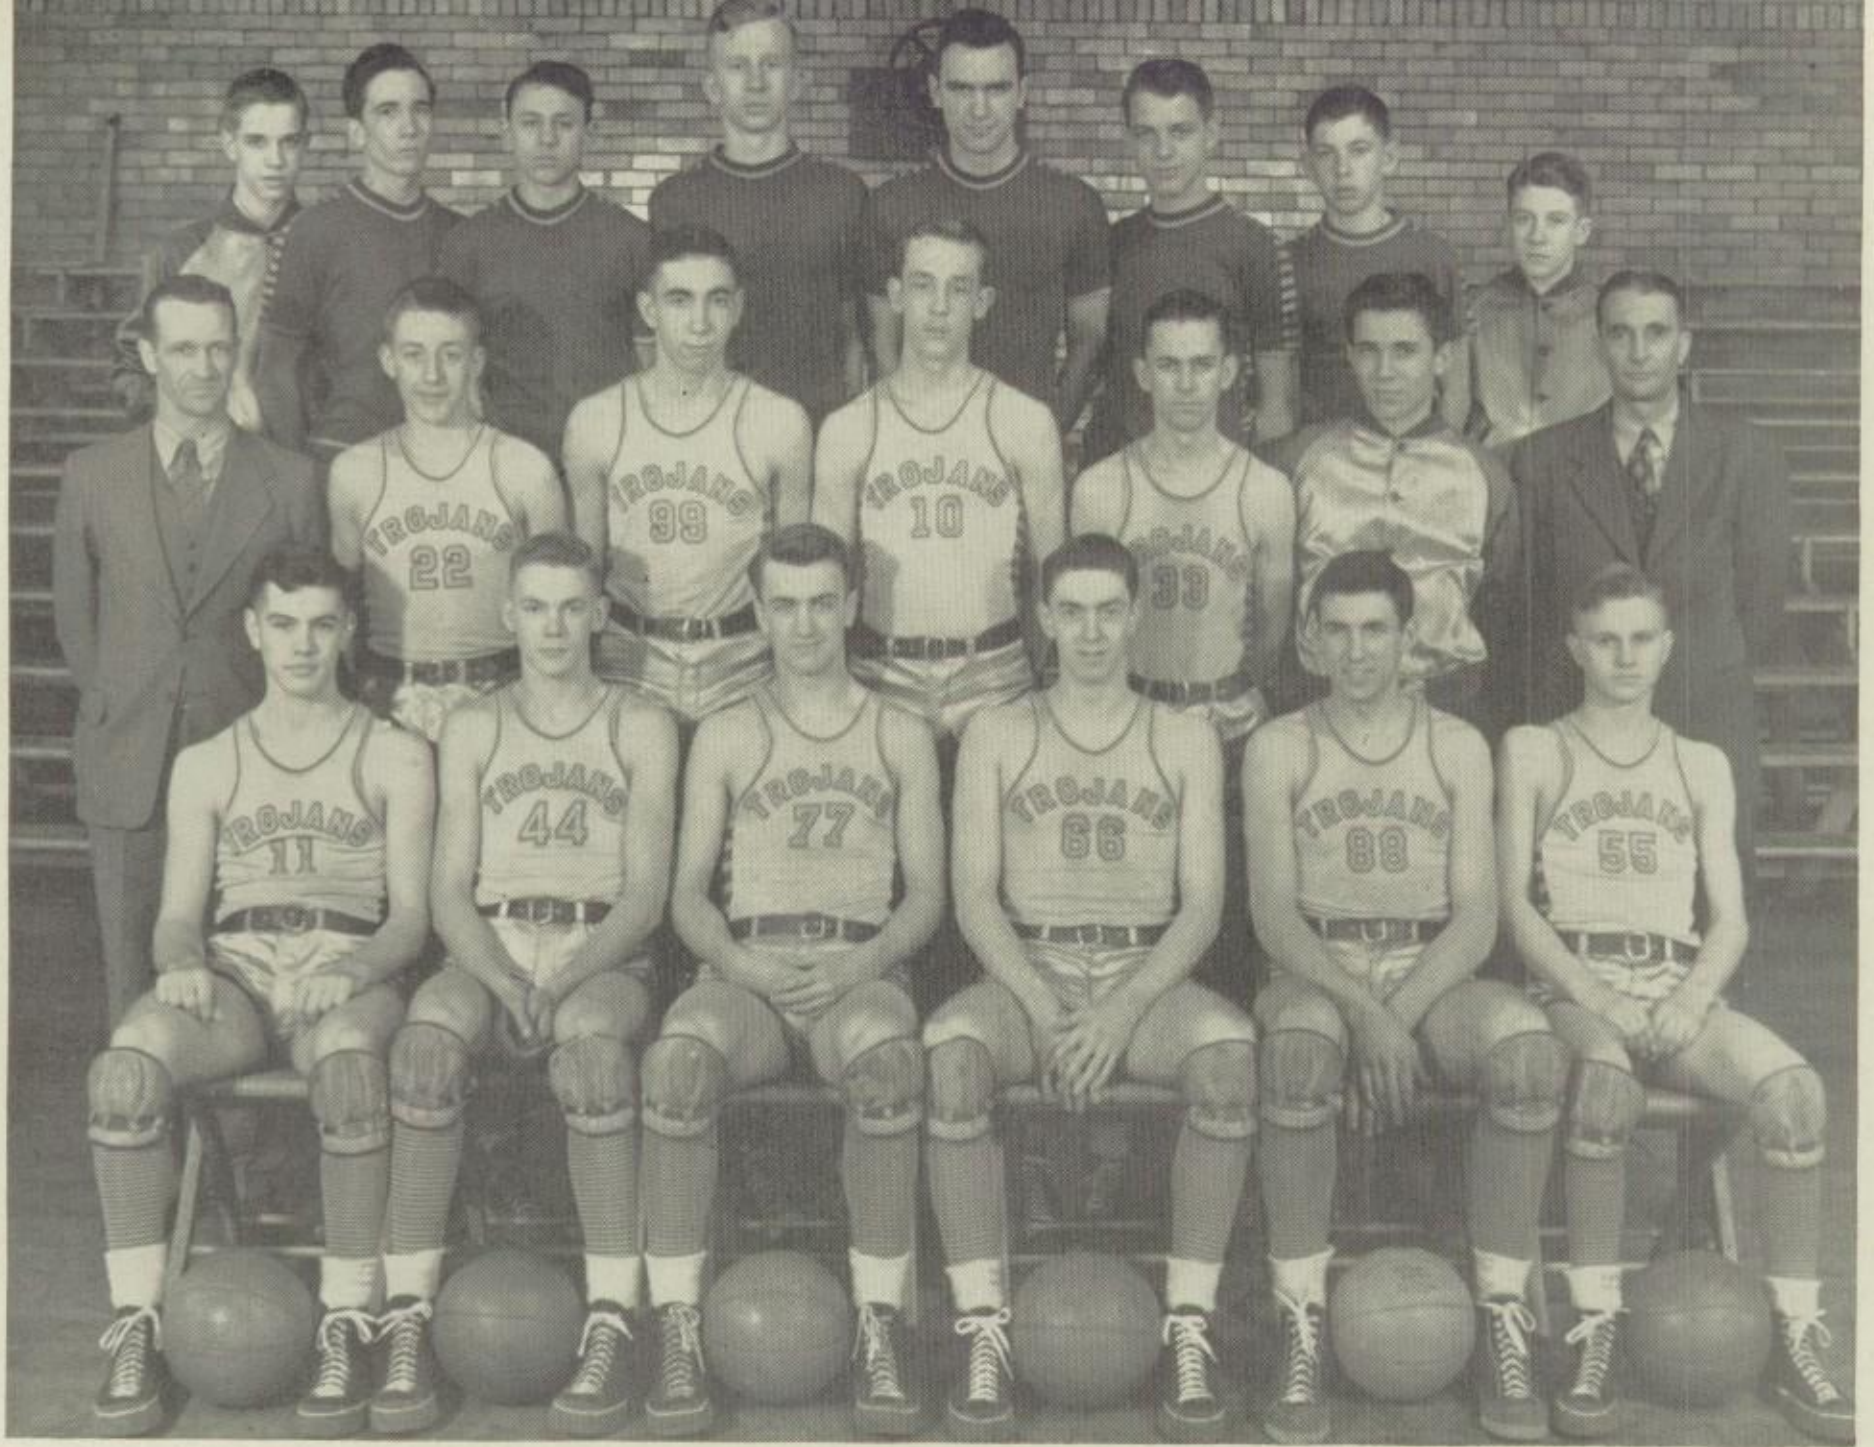

Cheerleaders

Sports contests require audience participation, and in order to coordinate the vocal enthusiasm of the spectators, cheerleaders are needed to organize the students in the support of their team. Five senior girls, Joanne Kiehne, Norma Henry, Norma Herge, Marjorie Baker and Joanne Bowman have carried this responsibility of leading the student

cheering in the past three years at all football and basketball encounters. In the past football season five boys, Eldon Beery, John Arnold, Don Beamer, Jack Beckman and Doug Zimmerman helped with the cheering. Eldon Beery also served as a cheerleader during basketball season.

FIRST ROW: Miller, Barrett, Fassett, Howard, Dunlap

SECOND ROW: Ass't. Coach Bartlett, File, DaPore, Wisner, Moore, Pifer (Mgr.), Coach Bachman

THIRD ROW: Bartlett (Mgr.), Frisbie, Fekete, Chesebro, Koehler, Huffman, Rogge (Mgr.)

Basketball Squad

Findlay High's basketballers compiled one of the best records ever made by a B and G quintet. The Bachman-mentored charges coupled aggressive defensive play and sharp "shooting" eyes to win 21 of 24 starts.

After two losses during the Christmas vacation to the downstate teams, Xenia and Hamilton, the Trojans started a winning streak which was to carry them to the state tournament where they finally bowed to East Liverpool.

PAUL HOWARD

Six-foot-three-and-a-half-inch captain and center, Paul Howard proved to be an invaluable defensive and offensive player. Paul, three-year letterman, was awarded a place on the second Buckeye League team.

AL STEEGMAN

"War Horse" Steegman, the team's leading scorer, received many awards for his sterling play throughout the season. Al was awarded a third-team position on the U. P. and A. P. All-Ohio teams. He also was selected for the first team honors in the regional and state tournaments and in the Buckeye League competition, being elected honorary captain for the league team.

JACK DUNLAP

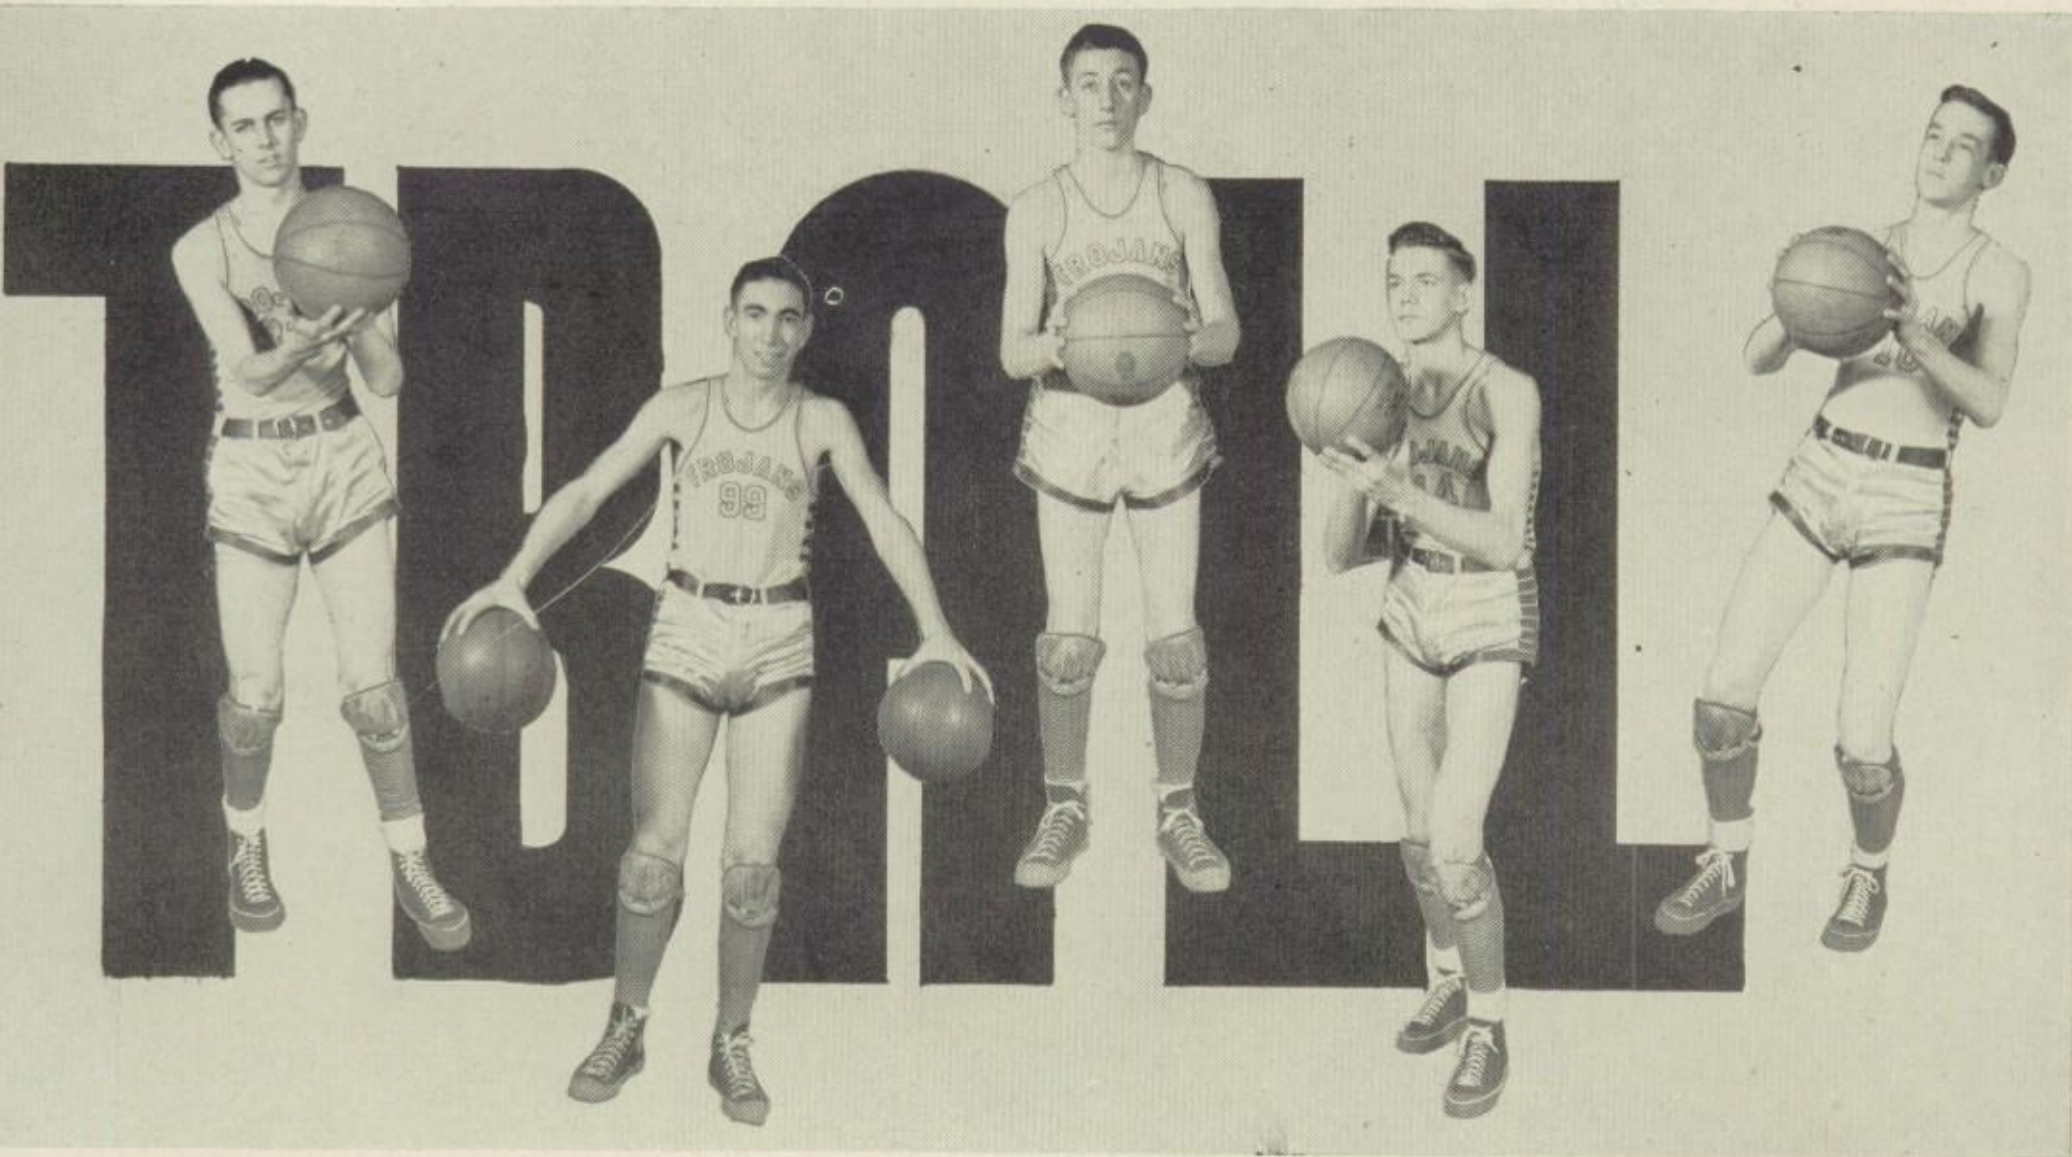

Diminutive but aggressive Jack Dunlap, despite a midseason illness, was a spark plug for the B and G forces. Jack was given an honorable mention in the U. P. All-Ohio team. He also was given a first-team berth on the regional team and a third-team position on the Buckeye League selection.

JOE FASSETT

Pivot man Joe Fassett, the team's second highest scorer, was also an important defensive cog. Joe was awarded a first-place berth on the Buckeye League team for his consistent play.

JACK MILLER

A sharp-shooting forward, Jack was an invaluable player who could connect with a long shot when needed. Jack, a two-year letterman and the team's third highest scorer, was awarded a third-team berth in the Buckeye League.

ROBERT MOORE

Left-hand push shot expert, Bob proved to be an able replacement in either forward position. Because of his accurate shooting, he was awarded a second-team position in the Buckeye League selections.

DICK BARRETT

Versatile Dick Barrett was a capable replacement at either a guard position or center. Dick was a good ball handler and accurate shot with either hand.

BOB FILE

Deceptive passer and ball handler, sophomore Bob File was high scorer for the reserve team. A fast-breaking player, Bob was always a constant menace to opposing teams.

JOE DAPORE

Sophomore "Monk" DaPore was an aggressive player on the rebound and under-the-basket shots. Joe was on the reserve team and was a replacement on the varsity. Joe, who stands six feet-two inches, will also be a valuable veteran for next year.

BILL WISNER

Bill is a six-foot-three sophomore who proved his merit in the regional tourney. He was a main cog of the reserve team and will see plenty of varsity action next year. Bill was awarded a letter for his outstanding tournament play.

GOLF TEAM

FIRST ROW: Gregory, Connor, Slough, Mains. **SECOND ROW:** Esch, Barrett, Quinlan, Webb. **THIRD ROW:** Miller, Dysinger, Misamore, Wisner.

Golf enthusiasts were given a chance in varsity competition for the second year since the war. Meets were scheduled with various area teams. C. C. Bachman served as the golf coach.

MANAGERS

FIRST ROW: Bartlett, Rogge. **SECOND ROW:** Howard, Pifer, Perkins. **THIRD ROW:** Klein, Ferris, Decker.

As in every other activity, behind-the-scenes workers are needed in all sports. This position is capably filled by the managers, who have to "sweat out" the practice and the games along with the players. On the managers' shoulders rests the responsibility of attending to the wants of the players and meeting various emergencies as they arise.

SWIMMING TEAM

FIRST ROW: Williams, Repp, Sheffel, Wertz, Ball, Arnold, West. **SECOND ROW:** Coach Keller, Williams, Green, Hillery, Quail, Cole, Miller.

Findlay swimmers annexed one victory in the '47 season, losing two other dual meets. The team, coached by L. C. Keller, showed possibilities until ineligibility struck several members of the squad. Nevertheless, the "tankers" showed future potentiality with numerous sophomores and junior high student ready to enroll on next year's squad.

TRACK TEAM

FIRST ROW: Myers, Libbe, Pampel, Kennedy, Ferris, Quail, Perkins, French, Naus. **SECOND ROW:** Coach, Bartlett, Bartley, Slager, Wittenmeyer, Line, Koehler, Miller, Bennett, Yawberg, Cole, Steegman, Frey, Ass't. Coach Yawberg. **THIRD ROW:** Friddell (Mgr.) Romer, Slough, Fekete, Snyder, Hillery, DaPore, Wise, Malcolm, Mowry, Rate, Klein (Mgr.). **FOURTH ROW:** Niswander, Kimmel, Harris, Kelley, Tippin, Swasick, Corbin, West, Massillo, Huffman.

F. H. S. thinclads took on a heavy ten-meet schedule for the 1947 season under the supervision of E. C. Bartlett, who was assisted by H. H. Yawberg. The cinder squad felt the loss of numerous lettermen but was, nevertheless, able to give a good account of itself.

- 21—Senior Chapel. Walking the last mile.
- 27—Art Exhibit. No Rembrandts in our crowd.
- 29—Junior-Senior Prom — at last! Very purtiful and enchanting.

JUNE

- 1—Baccalaureate. Sniff, sniff! Class of '47 about to face world. World does about-face.
- 5—Commencement. Seniors bid fond farewell to F.H.S.—F.H.S. bids fonder farewell to seniors.

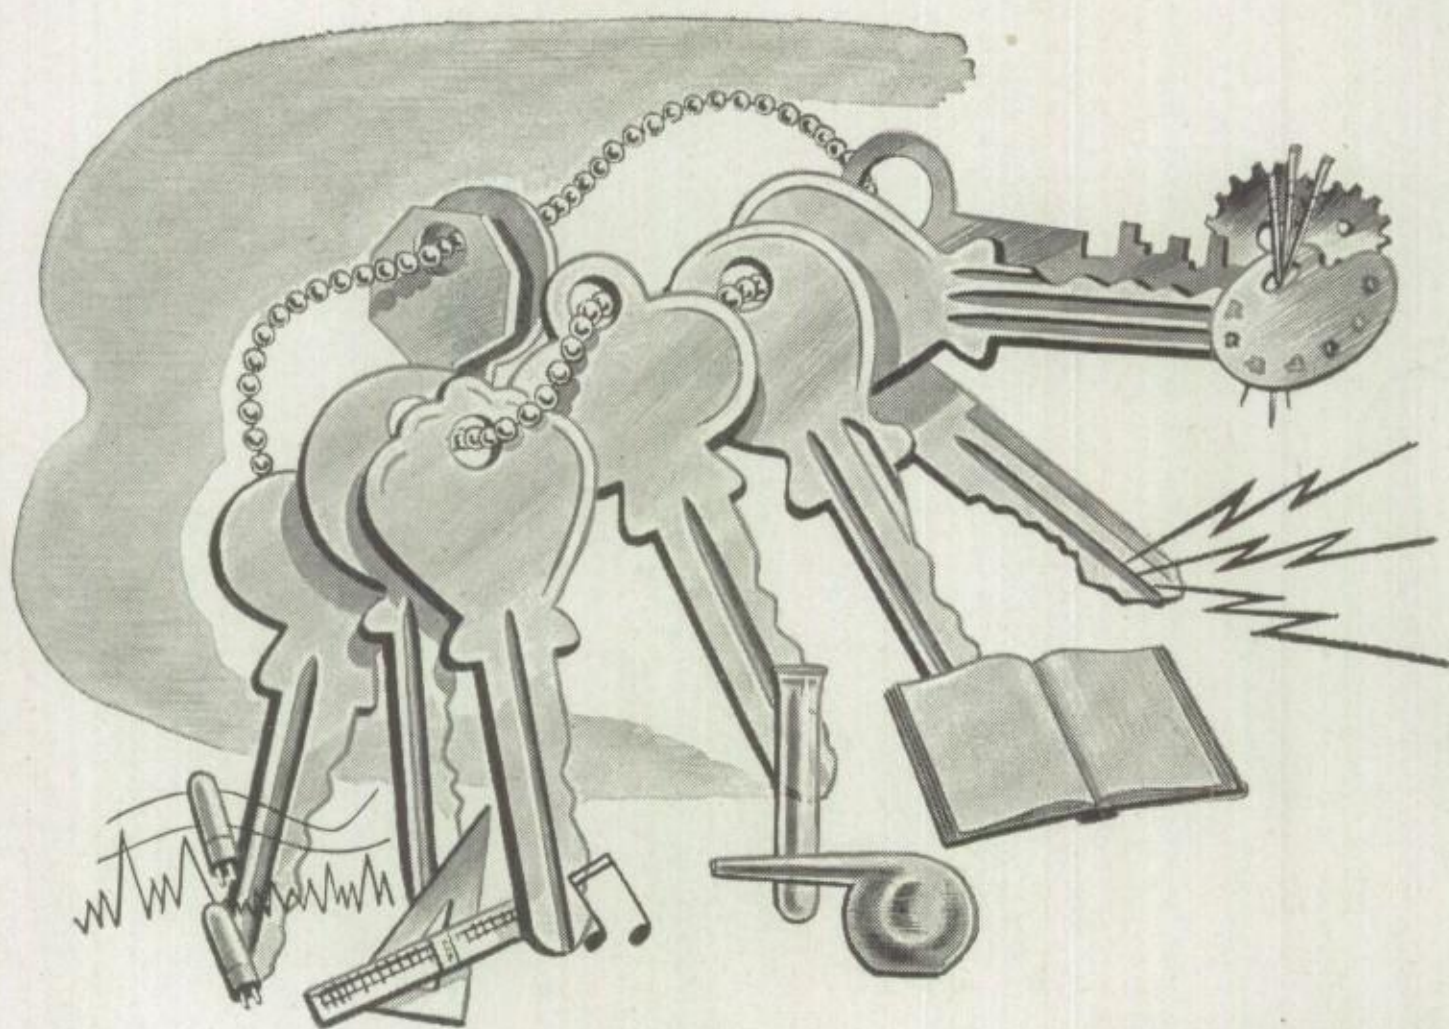

THE GAS LIGHT ERA

Findlay was the first town in the United States to illuminate its streets with natural gas. The photo, reproduced here by courtesy of the local Chamber of Commerce, shows a night scene on Main Street in 1887.

Advertising

The Senior Class of 1947 wishes to thank our advertisers for making this Diamond Anniversary Trojan possible. Modern advertising knows no limiting habits of tradition, no long-tried rules of form and makeup, and no ultimate height of perfection of color and art design. To attract the public to a favorable consideration of the articles for sale, artists of commercial designing attempt the ever-new. They feel no satisfaction in following the trend already pioneered and perfected. To refine more subtle methods, to promote appreciably artistic illustration, and to encourage fine conceptions in untried style in the realms of commercial advertising is to broaden the appreciation of the critical public eye.

Keys to Achievement

Keys not carried in the pocket or the purse. But in the mind.

Keys that open not just ordinary doors . . . but vast areas of achievement in the sciences, the arts, the humanities.

It is one of the purposes of education not only to fit the student with a basic ring of keys to knowledge . . . but also to teach him how to make his own keys for all the doors to achievement he will want to open throughout his life.

How many keys to achievement are needed? Enough to keep one busy for a lifetime, fashioning them out of knowledge, reason and experience. For no matter how many doors you unlock, there is always another door to even greater achievement still to be opened.

Beginner's Luck

● The girl who starts in telephone work finds real beginner's luck.

She learns her job pleasantly with other beginners just like herself—possibly from her own school. She works in light, airy offices with the latest in equipment. She relaxes in beautiful lounges with friendly co-workers.

"A Good Place to Work"

She takes home a good-sized weekly paycheck which she knows will increase steadily through scheduled raises. Her supervisors are congenial and understanding. They reached supervisory levels from beginning jobs just like hers. Promotions are made from within the ranks and today's greatly increased traffic has speeded up these promotions.

The telephone beginner strikes it lucky because she has chosen a company which earned its reputation for being "a good place to work".

WE ARE PROUD TO PRESENT

This group returned from all parts of the World to their favorite vocation at The Gray Printing Company.

Young in mind and spirit — they represent the nucleus of our organization for many years to come.

APPRECIATING how priceless your Annual may be in later years—a forgotten face or name—happy events recalled—these many Veterans along with the others in the Gray organization consider it a privilege to be of assistance in such a worthy achievement and to help you produce books of exacting quality and good taste.

AMERICAN TRADITION

• Quality, Integrity and Dependability have established themselves as a definite tradition with Pontiac. We have been constantly on the alert for new and improved procedures in yearbook designing and service. Our modern precision equipment is concrete evidence of adherence to this policy. Our experienced craftsmen and servicemen are carefully supervised by experts in the field of distinctive school publications. We are proud to have played a part in the publishing of this book in the capacity of official photo engravers. Our entire personnel congratulate the staff for their splendid work and cooperation.
